

Don't Go There

I see that expression on your face
Like you'd rather be some other time and place
Where we're headed I can read the signs
But I can't see the end, my love is blind

chorus:

Don't go there
Where I don't want to go
If it's goodbye, girl
I don't want to know
Without you, baby, I'm nowhere
Don't go there, please
Don't go there

You say we can't change the way things are
The dreams we had didn't take us far
But love is staying like I said it would
If you don't walk away it stays for good

Don't go there
Where I don't want to go
If it's goodbye, girl
I don't want to know
Without you, baby, I'm nowhere
Don't go there

Don't go there
Where I don't want to go
If it's goodbye, girl
I don't want to know
Without you, baby, I'm nowhere
Don't go there, please
Don't go there
Don't go there, please
Don't go there
