

## You're My Girl

In this world, just one girl  
Chills me, thrills me like you do - do, yeah  
This is the way, for me to say  
I'm so in love with you

chorus:

**Girl, if you believe me**  
**Say you'll never leave me**  
**Don't you ever treat me cruel**  
**You are so amazing**  
**Something in your ways makes me love you**  
**(You're my...)**  
**Girl, all my dreams**  
**are coming true, it seems**  
**Think I know you feel it too**  
**I can't live without you**  
**Everything about you makes me love you**  
**(You're my girl)**

Yesterday, was it fate  
So strange, the change I'm going through - through, yeah  
Now could it be, that only me  
Was saved for loving you

repeat chorus

bridge:

In my heart, I promise you  
By the stars above  
I am yours forever, my love

repeat chorus

repeat second half of chorus

You're my girl, you're my girl, you're my girl
