

## A Good Eighteen Years

Good love gone bad  
That's what you say  
I don't agree with you today  
Stop blowin' smoke  
Hear me loud and clear  
Start looking back at a good eighteen years

A good eighteen years  
is just like gold  
It's worth more  
when it gets old  
It might not shine  
like diamonds do  
Underneath it's strong and true  
Like me and you  
A good eighteen years

I'm not your jailer  
Your free to roam  
There ain't no bars or chains in this home  
That green grass  
ain't as green as it appears  
Start looking back at a good eighteen years

repeat chorus

What's on your mind I'm not sure  
Can't be that bad a little love won't cure

repeat chorus

A good eighteen years, a good eighteen years
