

## Wild Teenage Nights

Driving home in a heavy rain  
missed my exit-sign  
Found my way on the lovers lane  
slippin' back in time  
Late, backseat dates  
in Dad's old "Rocket-88"  
We held on tight  
in the dashboard light  
of a wild teenage night

Wild, wild teenage nights  
Learnin' love and desire  
Wild, wild teenage nights  
Settin' young hearts on fire  
Wild, wild teenage nights

Learned a lot at our favourite spot  
you and me by the lake  
lost our heads when I forgot  
to pull the parking brake  
we rolled downhill  
Now that was a heck of a thrill  
We held on tight  
in the soft moonlight  
of a wild teenage night

Wild, wild teenage nights..

Tonight when I get in  
She'll wonder where I've been  
but I'll just say, come on let's go  
She'll think I've gone insane  
'til we're on lovers lane  
and I'll be her sweet Romeo - again

Wild, wild teenage nights...
